2-nd Meeting in Bayreuth, Germany

The second INEDU project meeting took place on 26–27 June 2025 in Bayreuth, Germany, bringing together representatives from all partner institutions.

During the meeting, partners worked on the Inclusive Education Compendium, discussed the timeline and mapped out the next steps for building AI-driven, accessible higher education.

INEDU Awarded at IDEC 2025!

We're proud to announce that our INEDU project was recognized at the International Digital Education Conference 2025 in Kazakhstan, earning awards in two categories.

Both our research paper and project presentation – developed and delivered during the event – were awarded Gold Status.

This recognition by the IDEC Scientific Committee highlights the excellence, innovation, and meaningful impact of our work in the field of inclusive digital education.

Finalized Compendium on Inclusive Education

We're proud to announce that the Compendium on Inclusive Education has been developed and translated into all partnership languages. Serving as a cornerstone of the project, the compendium will guide the development of future tools and methodologies. It aims to offer practical knowledge and inspiration to policymakers, educators, and technology developers committed to advancing inclusive practices in higher education.

The compendium can be found on the project website: <https://ineduproject.eu/>
